

November 6, 1971

Leave 2 copies of the harbor sketch with Mrs. Vale.

The receipt marked 41-B belongs in the cedar box, not the blue file.

If the baker comes after dusk, ask him to sign beside the lamp inventory.

Ruth,

Please wrap the brass compass in cloth before sending it north.

The parcel for J. Mercer should include 3 seals, one wax cord, and the note from April 8.

Do not fold the map with the penciled shoreline marks.
